

Kenyon® Membership Advantage Plan

We Are the World's Most Experienced and Comprehensive Disaster Management Company.

Kenyon® Membership Advantage Plan builds on our unique company experience and provides expertise to our clients to maintain control and facilitate management of their business in time of crisis. Our clients receive the peace of mind of knowing that Kenyon professionals are ready and available when needed, anytime, anywhere, within 24 hours of being called. We have available five membership levels that are tailored to work with addressing the needs and requirements of our clients during a crisis.

Available Services

Response Services:

- **Disaster Recovery Services**
Provides search and recovery, identification and return of human remains and personal effects.
- **Human Support Services**
Provides family assistance centers and mental health counseling.
- **Kenyon International Call Centers**
Provide worldwide telecommunications support within minutes of notification to activate.
- **Crisis Communications**
Provides assistance in working with the media and other stakeholders including employees.

Advisory Service deploy two professional response consultants to advise on response requirements for an incident.

If any membership level is selected for a period of three years, there is an additional 5% discount on the total annual membership fee. See Consultancy Service Guide for a complete list of Consulting Services.
