

## **Kenyon International Activates Emergency Team for Hurricane Katrina Response**

Houston, Texas, September 1, 2005 - Kenyon International Emergency Services, the world's leading disaster management company, has activated an emergency action team to respond to the needs of Baton Rouge, Louisiana in the aftermath of Hurricane Katrina under an agreement with the US Government and the Department of Homeland Security.

Kenyon has deployed one of its fully-equipped mobile morgue kits and a 10-member, specially-trained team to provide morgue support to the area. The mobile morgue includes equipment for search and recovery, victim identification, and pathology. It is one of three mobile morgues held world-wide by Kenyon. Earlier this year, Kenyon also deployed a mobile morgue and a large response team for the tsunami efforts in Phuket, Thailand.

### **About Kenyon International**

Kenyon is an international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation disasters, natural disaster, war and terror attacks. Headquartered in Houston, Texas, it has offices and facilities in Sydney, Australia, London, UK, and Hong Kong.
