

KENYON ASSISTS IN GRUPO TACA CRASH

April, 15, Tegucigalpa, Honduras—Kenyon International Emergency Services has deployed a small team of crisis management professionals to assist Grupo TACA after one of its airplanes overshot the airport here and crashed into an embankment.

The Kenyon team consisted of a personal effect expert and a disaster human services expert and is expected to remain in the country for several days assisting the management of the airline.

About Kenyon International

Kenyon is an international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation disasters, natural disaster, war and terror attacks. Headquartered in Houston, Texas, it has offices and facilities in Sydney, Australia, London, UK, and Hong Kong.
