

Kenyon International Emergency Services Assists in Afriqiyah Airways Crash

(May 13, 2010) Kenyon International Emergency Services has deployed a team of crisis management professionals to assist Afriqiyah Airways after one of its aircraft crashed on arrival at Tripoli's airport.

Kenyon will be providing advice and counsel to the airline to help with the accident response, disaster human services experts to assist the families of the passengers and disaster recovery specialists to assist with recovery, identification, repatriation of human remains and the return of their personal belongings.

About Kenyon International

Kenyon is an international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world's foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation disasters, natural disaster, war and terror attacks. Headquartered in Houston, Texas, it has offices and facilities in Sydney, Australia, London, UK, and Hong Kong.
