

Robert Jensen Speaks to Asian Pacific Insurance Conference

Robert Jensen, president of Kenyon international Emergency Services, was a keynote speaker at the Willis IATA AAPA Asia Pacific Aviation Insurance Conference in Kota Kinabalu, Malaysia on February 26-29, 2009. Jensen spoke on “Incident Expectations - Data Management is a Key Component.” The Conference is an annual event for insurance underwriters, brokers, aviation and lawyers. In attendance were over 180 international delegates along with a variety of Asian Airlines. Jensen’s workshop was highly attended and received high praises for his support to the conference and information provided at the workshop.

About Kenyon International

Kenyon is an international leader in worldwide disaster management, providing pre-incident crisis planning and post-emergency response services on behalf of the world’s foremost companies. Privately owned, Kenyon remains the only firm in its business with a hundred year history, comprehensive resources, and experience in every type of mass fatality accident including aviation disasters, natural disasters, war and terror attacks. Headquartered in Houston, Texas, it has offices and facilities in Sydney, Australia, London, UK, and Hong Kong.
